

OKLAHOMA WESLEYAN
UNIVERSITY

Health Insurance

Fall 2010

*It is the policy of Oklahoma Wesleyan University that all students be covered by sickness and injury insurance. The university will provide minimal injury insurance for each student. As a student you may have your own primary sickness insurance (through your parents or employer) or you may take out sickness insurance offered by OWU. There are three options the student may choose from (see below). When the student has other insurance besides what is offered by the university, the primary insurance must be used first. A copy of the insurance card (front and back) must be included with this form. **Please return this Health Insurance Form to the Student Accounts Office by Friday, September 7, 2010. The student will automatically be charged for the additional insurance if this form is not received before this time.***

- I **want** the school insurance. I am not covered with primary sickness insurance.*
- I **do want** the school insurance as a secondary insurance. I am covered by primary insurance (see attached front and back copy of insurance card),*
- I **do not want** school insurance. I am covered by primary insurance (see attached front and back copy of insurance card) and choose not to be covered by the school insurance.*

The OWU Health Department will use this information in the event the student needs the services of local medical personnel. It is the student's responsibility to follow the requirements and regulations of their primary insurance and the school insurance. The school is not responsible for payment of any bills incurred by the student. We look forward to this coming semester and anticipate a wonderful experience for you as a student at OWU whether this is your first year or are returning to OWU for another great year. God bless!!
