

# OKLAHOMA WESLEYAN UNIVERSITY

## MEMORANDUM OF ARTICULATION/DEGREE COMPLETION AGREEMENT WITH

### NORTHEAST TECH

**Introduction.** Oklahoma Wesleyan University and Northeast Tech are both committed to providing high-quality educational programs to their respective constituencies. Because they have different but complementary missions, Oklahoma Wesleyan University and Northeast Tech are well suited to establish a partnership for the benefit of the students they serve.

**Partnership Agreement.** Oklahoma Wesleyan University and Northeast Tech agree to work together as active educational partners in providing educational opportunities for currently enrolled and potential students. Both institutions commit themselves to making the transition between the two institutions as seamless as possible. This agreement provides a framework within which articulation on all levels can be supported and developed. In particular, this agreement will facilitate a student's ability to transfer from Northeast Tech upon graduation into the Associate in Applied Science (A.A.S.) in Technical Programs to complete an Associate's degree or used as block elective credit into a Bachelor (B.A. or B.S.) degree at Oklahoma Wesleyan University with maximum ease and without jeopardizing the intended mission and stated goals of either institution. The administrators of Oklahoma Wesleyan University and Northeast Tech are authorized to prepare and implement plans of actions and procedures necessary to affect this agreement. Both institutions agree to inform the other of curricular and policy changes on an annual basis so the articulation agreement can remain current.

**Duration.** This agreement will be reviewed at the start of each academic year for the purpose of revision and renewal, if needed. This agreement can be changed at any time by mutual agreement and shall remain in effect until either institution notifies the other of termination or modification. This agreement supersedes all previous articulation agreements between these two institutions.

**Disclaimers.** No financial implications concerning the transfer of cash, equipment, or real estate is intended or implied by this agreement. Oklahoma Wesleyan University and Northeast Tech are separate and independent institutions and intend to remain so. There are no third-party beneficiaries intended, contemplated, or created by the signing and execution of the terms of this agreement. Any provision in this agreement that is contrary to law or otherwise invalidated by any court shall not operate to invalidate any other provision of this agreement.

**Articulation Agreement.** Graduates of the following Northeast Tech Programs\*, or of previous programs that are no longer offered, can apply up to 30 credit hours as a block of general elective and major credit toward the Associate in Applied Science (A.A.S.) in Technical Programs degree OR up to 40 credit hours as a block general elective credit towards any Bachelor (B.A. or B.S.) degree requirements at Oklahoma Wesleyan University with the following guidelines:

- 200-500 clock hours = 15 credit hours

- 501-900 clock hours = 20 credit hours
- 901-1200 clock hours = 30 credit hours
- 1201+ clock hours = 40 credit hours

\*See Attachment A for full list of current Northeast Tech programs

\*\*Students who complete the Practical Nursing program at Northeast Tech and have their LPN may apply to the LPN-BSN Advance degree program at OKWU. Students accepted into this program will receive 20 credits of advanced standing in nursing and have the option of challenging NURS 3814 Mental Health Nursing, NURS 3823 Nursing Care of the Childbearing Family, and NURS 3923 Nursing Care of the Childrearing Family for 10 additional hours of credit. Anatomy & Physiology taken in the Practical Nursing program at Northeast Tech with a grade of B or higher can be transferred to OKWU for BIOL 2114 Human Anatomy. For degrees other than Nursing, students can receive up to 20 hours of general elective credit for completion of the Practical Nursing program.

This agreement is subject to the following institutional policies:

- No more than 30 credits may be applied toward an Associate degree and no more than 40 credits may be applied toward a Bachelor degree.
- Only credits needed for the degree will be transcribed.
- The block of credit will not be posted to the Oklahoma Wesleyan University transcript until the student has completed at least 12 credit hours of coursework at Oklahoma Wesleyan University.
- Students are subject to the acceptance and academic policies of the Oklahoma Wesleyan University catalog.

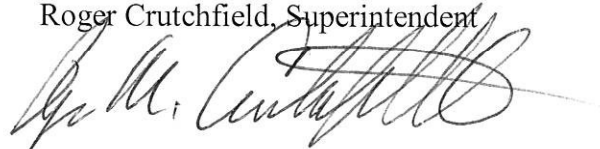

**Points of Clarification/Consideration.** The acceptance of credit from Northeast Tech to Oklahoma Wesleyan University is determinate upon the evaluation and approval of official transcripts by the Registrar at Oklahoma Wesleyan University. It is not time sensitive. This articulation agreement is built with the traditional and non-traditional learner in mind.

\*Attachment A

Students who complete the following programs at Northeast Tech (Afton, Claremore, Kansas, & Pryor Campuses) are eligible to continue their education with Oklahoma Wesleyan University to pursue an Associate of Applied Science (A.A.S.) in Technical Studies or a Bachelor Degree:

**Automotive Collision Repair Technology**

- |   |            |
|---|------------|
| - Body Mechanical/Electrical Technician             | 330 hours  |
| - Combination Collision Repair Technician Assistant | 600 hours  |
| - Combination Collision Repair Technician           | 1080 hours |
| - Structural Repair Technician                      | 780 hours  |

**Automotive Service Technology**

- |  |           |
|--|-----------|
| - Automotive Maintenance & Light Repair Technician | 630 hours |
| - Automotive General Service Technician            | 945 hours |

**CNC Machining**

- |                                |            |
|--------------------------------|------------|
| - Advanced CNC Technician      | 525 hours  |
| - CNC Machinist Assistant      | 600 hours  |
| - CNC Manufacturing Technician | 1050 hours |

**Construction Trades**

- |                         |            |
|-------------------------|------------|
| - Frame Carpenter       | 615 hours  |
| - Lead Carpenter        | 945 hours  |
| - Residential Carpentry | 1020 hours |

**Cosmetology**

- |                               |            |
|-------------------------------|------------|
| - Cosmetologist – Adult       | 1500 hours |
| - Cosmetologist – High School | 1500 hours |

**Cosmetology (Master)**

- |                                |            |
|--------------------------------|------------|
| - Master Instructor            | 1000 hours |
| - Practicing Master Instructor | 500 hours  |

**Criminal Justice**

- |                                 |            |
|---------------------------------|------------|
| - Criminal Justice Practitioner | 1080 hours |
| - Criminal Justice Specialist   | 540 hours  |

**Culinary Arts**

- |                                     |            |
|-------------------------------------|------------|
| - Food Service Management Assistant | 1050 hours |
| - Restaurant Cook                   | 600 hours  |

**Diesel & Heavy Equipment Repair**

- |   |            |
|---|------------|
| - Medium/Heavy Diesel Preventative Maintenance Technician | 600 hours  |
| - Medium/Heavy Diesel Service Technician                  | 1050 hours |
| - Medium/Heavy Diesel Truck Engine Technician             | 510 hours  |

**Education Accelerated by Service & Technology (EAST)**

- |                   |           |
|-------------------|-----------|
| - Project Manager | 720 hours |
|-------------------|-----------|

**Electrical Lineman Training**

- Electrical Lineman Training 1460 hours

**Electrical Technology**

- Electrical Technician in Construction + Internship 600 hours
- Electrical Technician in Construction 525 hours
- Electrical Technician in Construction, Industry & Manufacturing 1050 hours
- Electrical Technician in Industry & Manufacturing + Internship 600 hours
- Electrical Technician in Industry & Manufacturing 525 hours
- Entry Level Electrical Technician's Assistant 525 hours
- Residential & Commercial Electrical Technician 1050 hours
- Residential/Commercial/Industrial Electrician 1050 hours

**Foundations of Construction**

- Building Maintenance Technician 1050 hours

**Foundations of Hospitality**

- Culinary Arts Assistant 648 hours
- Culinary Arts Management Assistant 840 hours
- Floriculture Design Assistant 1008 hours

**Health Careers**

- Fitness Specialist 870 hours
- Long Term Care Aide (CNA) 632 hours
- Medication Administration Technician (Foundations to Health Careers) 421 hours
- Nursing Assistant (Pre-Nursing) 787 hours
- Pharmacy Clerk 525 hours
- Pharmacy Technician 840 hours
- Phlebotomist 675 hours
- Physical Therapy Aide 705 hours
- Rehabilitative Services Aide 932 hours
- Restorative Aide 676 hours
- Student Athletic Training Aide 585 hours
- Veterinary Assistant 600 hours

**Marine Service Technology**

- Marine Repair Technician 960 hours
- Marine Repair Technician Apprentice 600 hours
- Marine Service – Entry Level 495 hours

**\*\*Practical Nursing**

- Licensed Practical Nurse (All Campuses) 1463 hours

**STEM Academy/Pre-Engineering**

- Engineering by Design Advanced 960 hours
- Engineering by Design 720 hours
- Foundations of Engineering 240 hours
- Intro to Pre-Engineering 480 hours
- Pre-Engineering 960 hours

**Teacher Prep**

- Teacher Prep 525 hours

**Visual Communications**

- Administrative Assistant 600 hours
- Animator 600 hours
- Desktop Publisher/Graphic Designer 600 hours
- Executive Admin. Assistant 960 hours
- Graphic Design Specialist 960 hours
- Interactive Media Specialist 720 hours
- Medical Office Assistant 1020 hours
- Motion Graphics Artist 1050 hours
- Multimedia Specialist 960 hours
- Network Support Specialist 630 hours
- Office Information Specialist 960 hours
- Special Effects Technician 600 hours
- Video Game Designer 1050 hours
- Video Production Assistant 600 hours
- Video Technician 1050 hours
- Web Designer 960 hours

**Welding & Metal Fabrication**

- Industrial Metal Fabricator 1050 hours
- Multi Process Pipe and Structural Welder 1050 hours
- Multi Process Structural Welder 525 hours
- Welding & Metal Fab Workforce Transition 402 hours
